

Do you love to support activities that promote; fitness, fun, and friendship in the community for ALL?

Junior, Amateur and Professional teams are run mainly by hard working volunteers that love the game and all it offers to the Community but sometimes need support from outside agencies. That is why, Rugby Oldham is committed to supporting all areas of Rugby League in Oldham.

Ultimately, our vision is to have a Ground in the town, a Community Sporting Facility of the highest calibre, but, on the way there we want to support RL in Oldham where ever we can.

Having a strong **Trust** and active **Board** will help drive these plans forward. If you would like to support our vision, please consider becoming a member. We are stronger in numbers.

Linda E. Mills  
Membership Secretary, Board Member
